

## EXCEL

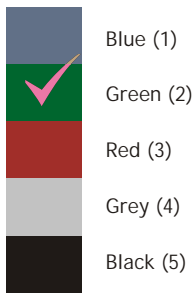

- COMFORTABLE PADDED BACKREST
- ADJUSTABLE SEAT HEIGHT
- EXTRA WIDE SEAT

### Model #4700

The EXCEL has many unique features that make it an excellent walker, such as the height adjustable frame and large seat dimensions that will accommodate a variety of users' needs. The smooth rolling, affordably priced EXCEL is easily folded for storage and transportation and has a flexible, padded backstrap for added comfort and security. The combination of seat height adjustability, a wide span between the handles and a padded cushion give the EXCEL a truly comfortable and spacious seating area. The EXCEL is equipped with a shopping basket that fits easily in place and an optional tray is available.

Care & Use: Ideal for outdoor and/or higher weight capacity usage.

Specifications: Steel frame and basket with vinyl coating, foam handles, padded backstrap and curb assist. Wheels are made of elastomere with non-corrosive aluminum parts.
