

## neXUS II™

- FOLDS LIKE NO OTHER ROLLATOR
- CONTOURED, CUSHIONED SEAT
- EXTRA LARGE BASKET

The new neXus II™ is the perfect walker for the active user who wants to enjoy life. Its ultra-compact "X" folding system and lightweight frame not only makes getting the neXus II™ in and out of the car so much easier but also allows the rollator to stand independently when folded. Its deluxe 8" wheels and double bearing front fork assembly ensure smooth rolling. With an extra large mesh basket and a solid seat structure with a contoured, cushioned seat, the neXus II™ is the ideal walker for those day to day outings.

Care & Use: For indoor or outdoor use.  
 Specifications: Aluminum frame and basket with vinyl coating, handles and backrest. Wheels are made of elastomere with non-corrosive aluminum parts.
