

# TRACK RAMP

Two telescopic channel ramps each extend to provide instant access when a permanent ramp is not feasible. Great for home or travel and indoor or outdoor use. For storage, simply depress the guide buttons to collapse, then store ramp in closet or trunk of car when not in use. Features high-traction non-skid tape. Sold in pairs.

# VAN MOUNT RAMP

Designed for quick and convenient access to most minivan side doors, the VAN MOUNT takes the stress out of loading and unloading. Mounts to van floor and stores vertically inside the vehicle. Easily removed and reinserted. Ramp is manually operated and lightweight, requiring only 25 pounds of lifting strength. Fits many minivans (side door mount only).
